

A PERSONAL NOTE: In this issue is a complete list of radio clubs that I know of. This has been a growing idea in the last 3 years. Many clubs put out excellent newsletters. The Denver and Buffalo clubs put out a joint publication in November, the first venture of this kind. One could receive all the newsletters put out and get new information in each one. There is much cooperation between clubs and more will be forming.

CONFUSION: When I start a paragraph...FROM DON KOEHNEMANN, etc. it means to contact that person not me. There was some confusion last month about the German tape. Don has the tape, not me.

DATES: I have dated many of the 8 reels of Benny which became available several months ago. I would appreciate any help with the correct dates. Unfortunately most of the shows have AFRS dates. Using the 8 reels listed in Pat McCoys catalog, I have correctly dated many of them. Send a SASE and 20¢ if you wish a copy.

SPOT AT THE MIKE: (Received from Jerry Appleman)...This month's SPCT belongs to one of the giants in our hobby, JOHN DUNNING. With his book, "Tune in Yesterday," he has provided our hobby with a wealth of information that is truly the "Ultimate Encyclopedia of Old-time Radio." With his old-time radio show on KFNL in Denver, he has shared his fine collection of shows with many listeners. His show has introduced our fine hobby to dozens of new collectors and it was an announcement on his show that gave life to the Radio Historical Association of Colorado. His collection of 1200plus reels contain some of the finest sounding shows in the country, as much to John's credit, he is one of the truly sound-conscious collectors. His encouragement has helped many of the collectors in Denver to become more quality conscious and thereby build a much better collection than we would otherwise have acquired.....

If you know of someone in our hobby who has performed beyond the "call of duty" and given of himself in a special way, write a short paragraph about him (or her) and I will print it.

RADIO IS ALIVE AND WELL: GRAND OLE OPRY has been on radio station WSM in Nashville for 51 years, making it the country's oldest live radio program. It started in 1925...General Mills is sponsoring a new radio anthology series called GENERAL MILLS RADIO ADVENTURE THEATER on Feb 5, 1977. It will be on Sat. and Sun 52 weeks a year with 52 original shows and 52 repeats. It is a family series with hour performances of childrens classics such as KIDNAPPED, MAN IN THE IRON MASK, MOBY DICK, etc. It will be directed by Hyman Brown over CBS Radio from 6:07 to 7:00 PM...Sounds great.

From BRUCE RUGGLES, Box 1256, North Bay, Ontario P1B 8K5. I have some questions on the Benny shows of 54 and 55. Has Feb 6, 1955 turned up (Frank Nelson said this show was a repeat-ed)?... What is the exact timing for these shows. The time would be on the transcriptions. Who has them...Is Jack's reading of the Elephant's Graveyard the correct date? It is dated 1955 but mention is made of it in 1954...Finally I question many dates of the shows just from the singing jingle. Some are done with Dorothy Collins, some with the Sportsman, others with both. What gives?..

From Robert Barbagelott, TMO H&HS, MCAS Beaufort, SC 29902. I have 9000 shows but still welcome new collectors. While in Hawaii and just starting to build my collection I was snubbed by 2 collectors who couldn't spare the time. After that I decided to help all collectors even though my collection became large...Does anyone remember THE WHISPERER broadcast in New York in the late 40's...I seem to remember listeneing to GUNSMOKE in 1949 and 1950 even though it started in 1952. What do I remember???

Have a very Merry Christmas or Happy Hanukah...Flyers in cluded are from Tom Riggs, Larry Kiner and John Dunning

JOHN DUNNING TUNE IN YESTERDAY

The Ultimate Encyclopedia of OLD-TIME RADIO 1925-1976

What two shows tried to copy *The Shadow's* success? Who was Ma Perkins' lumberyard friend? Who was the voice of Superman? Who ran *House Party* before Art Linkletter? How did Bing Crosby, Jimmy Durante, Red Skelton, and Bob and Ray make their radio debuts? And who played Oogie Pringle last?

If you can't remember, TUNE IN YESTERDAY has all the answers, plus thousands of other definitive facts you can't find anywhere else. Each show is listed alphabetically by title, giving *all* the players of major roles, the sponsors, changes of cast, crew, and writers; premiere dates, and shifts of format and network—all compiled from original tapes and from contemporary listings—as well as the early episodes, typical plotlines, development of the characters, openings and closings, and behind-the-scene glimpses of writers, stars, and studio executives.

In addition, TUNE IN YESTERDAY gives the complete genesis and development of classics like *Fibber McGee and Molly*, *I Love a Mystery*, *The Fat Man*, and *Jack Armstrong*, besides less well-known shows such as *Everyman's Theatre*, *I Fly Anything*, and *Dr. Sixgun*.

Perfect for settling arguments or just invigorating reading, TUNE IN YESTERDAY is a briskly written, meticulously accurate treasure trove that can be read for information and pleasure at the same time.

NEWS OF THE PAST

WINTER — 1976

Japan bombs Pearl Harbor

WASHINGTON, Dec. 8, 1941—Congress declared war on Japan today with only one dissenting vote. Declarations of war against Germany and Italy are expected to follow immediately.

President Franklin D. Roosevelt asked for the declaration of war on Japan because of yesterday morning's sneak attack on the U.S. Pacific Fleet at Pearl Harbor. He said December 7 is "a day which will live in infamy."

Pearl Harbor was still smoking from the attack when Congress voted.

Roosevelt said that as commander in chief he was directing the Army and Navy to take all necessary measures for our defense.

"Hostilities exist," he declared. "There is no blinking at the fact that our people, our territory and our interests are in grave danger."

American men are flocking to military enlistment stations. Army and Navy authorities here confirmed that the attack on Pearl Harbor was a surprise.
